**Patentability Opinion**

Patentability Search | Base Fee = $1,000
- We locate references relevant to whether your invention is eligible for patent protection.
- We find relevant references by searching patent databases in the United States Patent & Trademark Office.
- Our search methodology utilizes keyword searching and classification code searching.

Patentability Analysis | Base Fee = $2,000
- We study in detail selected references uncovered in the Search Phase to determine how much patent protection is likely available for your invention.

Patentability Opinion | No Additional Fee
- We report our patentability opinion to you in clear and concise terms.
- Our patentability opinion will help you to evaluate the economic value of a patent for your invention.
